## **Annual Notice of Changes for 2024**

You are currently enrolled as a member of Hamaspik Medicare Choice. Next year, there will be changes to the plan's costs and benefits. *Please see page 4 for a Summary of Important Costs, including Premium.* 

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the *Evidence of Coverage*, which is located on our website at <a href="https://www.hamaspik.com">www.hamaspik.com</a>. #### What to do now

1.	ASK: Which changes apply to you
	Check the changes to our benefits and costs to see if they affect you.
	• Review the changes to Medical care costs (doctor, hospital).
	• Review the changes to our drug coverage, including authorization requirements and costs.
	• Think about how much you will spend on premiums, deductibles, and cost sharing.
	Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
	Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
	Think about whether you are happy with our plan.
2.	COMPARE: Learn about other plan choices
	Check coverage and costs of plans in your area. Use the Medicare Plan Finder at <a href="https://www.medicare.gov/plan-compare">www.medicare.gov/plan-compare</a> website or review the list in the back of your <i>Medicare &amp; You 2024</i> handbook.
	Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

#### 3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2023, you will stay Hamaspik Medicare Choice.
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1**, **2024**. This will end your enrollment with Hamaspik Medicare Choice.
- Look in Section 3 (on page 16) and Section 4 (on page 17) to learn more about your choices.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## **Summary of Important Costs for 2024**

The table below compares the 2023 costs and 2024 costs for Hamaspik Medicare Choice in several important areas. **Please note this is only a summary of costs**. If you are eligible for Medicare cost-sharing assistance under Medicaid, you pay \$0 for your deductible, doctor office visits, and inpatient hospital stays.

Maximum out-of-pocket amount	\$8,300	\$8,850
This is the most you will pay out-of-pocket for your covered Part A and Part B services. (See Section 2.2 for details.)	Because you are eligible for Medicare cost-sharing assistance under Medicaid, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. ## SECTION 1 Unless You Choose Another Plan, You Will Be Enrolled Automatically in Hamaspik Medicare Choice in 2024

If you do nothing in 2023, we will automatically enroll you in our Hamaspik Medicare Choice plan. This means starting January 1, 2024, you will be getting your medical and prescription drug coverage through Hamaspik Medicare Choice. If you want to change plans or switch to Original Medicare and get your prescription drug coverage through a Prescription Drug Plan you must do so between October 15 and December 7. The change will take effect on January 1, 2024.

## **SECTION 2** Changes to Benefits and Costs for Next Year

## **Section 2.1 – Changes to the Monthly Premium**

	2023 (this year)	2024 (next year)
Monthly premium	\$0	\$0
(You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)		

## **Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount**

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)
Maximum out-of-pocket amount	\$8,300	\$8,850
Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum.  Because you are eligible for Medicaid assistance with Part A and Part B copays and deductibles, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.		Once you have paid \$8,850 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.
Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.		

## **Section 2.3 – Changes to the Provider and Pharmacy Networks**

Updated directories are located on our website at <a href="www.hamaspik.com">www.hamaspik.com</a>. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. Please review the 2024 Provider and Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

There are changes to our network of pharmacies for next year. Please review the 2024 Provider and Pharmacy Directory to see which pharmacies are in our network.

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are a part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

## Section 2.5 – Changes to Part D Prescription Drug Coverage

## Changes to Our "Drug List"

Our list of covered drugs is called a Formulary or "Drug List." A copy of our "Drug List" is provided electronically on our website. **You can get the** *complete* "**Drug List**" by calling Member Services (see the back cover) or visiting our website at www.hamaspik.com.

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. Review the "Drug List" to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

#### **Changes to Prescription Drug Costs**

Because you have Medicaid, you receive "Extra Help" to pay your Medicare prescription drugs, and you qualify for a reduction or elimination of your cost sharing for Part D drugs.

Note: If you are in a program that helps pay for your drugs ("Extra Help"), the information about costs for Part D prescription drugs may not apply to you. We have included a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive "Extra Help" and didn't receive this insert with this packet, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

#### **Changes to the Deductible Stage**

Stage	2023 (this year)	2024 (next year)
Stage 1: Yearly Deductible Stage	The deductible is \$0.	The deductible is \$0.
During this stage, you pay the full cost of your Part D drugs until you have reached the yearly deductible.	(Look at the separate insert, the "LIS Rider," for more information about your deductible amount.)	(Look at the separate insert, the "LIS Rider," for more information about your deductible amount.)
The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus and travel vaccines.		

#### **Changes to Your Cost Sharing in the Initial Coverage Stage**

Please see the chart on the next page for the changes from 2023 to 2024. All of your Medicare prescription drugs are on a single tier.

Stage	2023 (this year)	2024 (next year)
Stage 2: Initial Coverage Stage Once you pay the yearly deductible (if this applies to you), you move to the Initial Coverage	Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:	Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:

and you pay your share of the cost.  Most adult Part D vaccines are covered at no cost to you.  NOTE: The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a pharmacy that provides a long term supply or for mail order prescriptions, look in Chapter 6, Section 5 of your Evidence of Coverage.	<ul> <li>Generic drugs: \$0</li> <li>Brand name drugs: \$0</li> <li>Once you have paid \$7,400 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</li> </ul>	<ul> <li>Generic drugs: \$0</li> <li>Brand name drugs: \$0</li> <li>Once you have paid \$8,000 out-of-pocket for Part D drugs, you will move to the next stage (the Catastrophic Coverage Stage).</li> </ul>

## **Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage**.

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

## **SECTION 3** Deciding Which Plan to Choose

#### Section 3.1 – If you want to stay in Hamaspik Medicare Choice

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Hamaspik Medicare Choice.

#### Section 3.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change plans for 2024 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR --
- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (<a href="www.medicare.gov/plan-compare">www.medicare.gov/plan-compare</a>), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

#### **Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Hamaspik Medicare Choice.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from Hamaspik Medicare Choice.
- To change to Original Medicare without a prescription drug plan, you must either:
  - Send us a written request to disenroll. Please contact Member Services if you need more information on how to do so.
  - or -
  - Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

#### **SECTION 4** Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

#### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Medicaid in New York, you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In New York, the SHIP is called the Health Insurance Information, Counseling and Assistance (HIICAP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. HIICAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call HIICAP at 1-800-701-0501. Or you can learn more about HIICAP by visiting their website at: https://www.shiphelp.org/about-medicare/regional-ship-location/new-york

Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP program.
