

### A word about Hamaspik Choice (a Managed Long Term Care plan)...

Hamaspik Choice Managed Long Term Care (MLTC) benefits do not include medical coverage for physician and hospital services. Members of Hamaspik Choice MLTC all have Medicaid and may have other primary coverage such as Traditional Medicare or a Medicare Advantage plan such as Hamaspik Medicare Select. A small number of MLTC members have only fee-for-service Medicaid as their health insurance. This information is pertinent to Hamaspik CHOICE (Managed Long Term Care) Plan only.
